WHO'S WATCHING WHO?

In these times of crisis for many of our smaller football clubs one of the most vital factors is how many people can be attracted through the turnstiles. Despite what many pessimists might say people do still want to turn out to see their team if they are doing well or playing attractive opposition. Unfortunately only a handful of clubs can sustain this support through continued success on the field or a particularly loyal bunch of supporters. A look at each club's best league gate so far this season reveals some interesting facts as shown in the table below.

Sheffield United are by far the biggest attraction as visitors for ten clubs boost their best gate so far against the Blades. This may be due to their large travelling support as well as the "big club" image for home fans, but they have still attracted the largest gates at Torquay and Colchester, where one would expect the majority to be local fans because of the distance from Sheffield. Quite a number of the other clubs, including ourselves have not yet entertained the 'Blades', so perhaps even more grounds will be fuller than ever this season when they do appear. Most of the other high attendances can be attributed to local derby's or top of the table clashes and surprisingly only one total is for a Sunday game and that was for our own match at Feethams with York a couple of weeks ago. The club by club maximums are as follows:

ALDERSHOT 3704 v BOURNEMOUTH, 20th October
BLACKPOOL 7805 v BURY, 4th November
BOURNEMOUTH 8829 v COLCHESTER, 26th December

ENCOUNTERS

WIGAN ATHLETIC

Wigan Athletic, enjoying their most successful season since entering the Football League in 1978 in place of Southport, come to Feethams for the fourth time tonight. In their previous three visits they have drawn twice and lost once when last season they were sunk by a John Stalker hat trick. Their first ever visit was on 9th December, 1978 when a goal from John Stone gave us a point. The return at Springfield Park later that season saw us play out another draw this time showing four goals with Jimmy Seal and Alan Walsh being on the mark. The following season our first ever home game was against the "Latics" with Phil Taylor getting both the Quakers goals and Wigan getting a late equaliser through Joe Hinnigan (recently seen here with Sunderland). Our journey to Lancashire in November 1979 was rather unsatisfactory as we returned on the wrong end of a 4-1 score line. Last season saw our first (and so far only) success over Wigan when on the 13th September, 1980, John Stalker cracked in a superb hat-trick to sink the "Latics", in a match when Harry Wilson made his debut for the Quakers. However we were unable to complete a double when we went to Springfield Park in February 1981, as we went down 1-3. This season again we lost in Lancashire by 1-2 last November in this campaign's corresponding game.

Many years ago there was a team from Wigan in the old Third Division North when Wigan Borough were members from 1921 to 1931. We met them eight times at Feethams, winning seven and also gained a win and three draws on our travels away. So it is pleasant to renew our rivalry with the town of Wigan, whose persistence in applying for election to the Fourth Division was rewarded at the thirty-fifth attempt!

WIGAN ATHLETIC PEN PICTURES

JOHN McMAHON, Full back. Height 5ft.9ins. Weight 11st. 2lbs. Newly acquired from Crewe Alexandra during the close season, John has already featured prominently in Wigan's pre-season friendly fixtures. His experience gained with Preston North End and other Football League clubs has brought a more professional look to Wigan's back four and his polished skills and keen positional sense have earned the praise of Wigan's critical fans. John has well over 300 Football League appearances to his credit and is expected to be a key figure in the Springfield Park clubs push for promotion.

LARRY LLOYD, Central Defender/Player Manager. Height 6ft.2ins. Weight 13½ stone. Appointed in the second half of last season as player/manager, this battle hardened English international has already brought a more professional approach to the play of the side under his control. A fierce competitor, with over 400 Football League games to his credit, and a wealth of experience acquired with Bristol Rovers, Liverpool, Coventry City and Nottingham Forest, Larry Lloyd expects great things this year. Certainly, he will produce a side that will be hard to beat and may yet achieve the promotion so earnestly longed for.

COLIN METHVEN, Central Defender. Height 6ft.1in. Weight 12st. 4lbs. Manager Ian McNeill's deep knowledge of Scottish football enabled him to search out this strong and positive player who became Wigan's record signing at a fee of £30,000 from East Fife in October 1979. It was soon obvious that the money had been well spent, for Colin, good in the air and strong in the tackle, soon took over as Captain of the Wigan side and led his men to glory in Wigan's great F.A. cup run, season 1979-80. Another key figure in Wigan's defensive organisation, Methven looks forward eagerly to a promotion-challenging year ahead. Now over 200 competitive games played at English and Scottish Football league level.

STEVE McADAM, Full Back. Height 5ft.11½ins. Weight 11st. 2lbs. Joined Wigan Athletic early in the 1980-81 season after gaining experience with Burnley Football Club. After a shaky start, Steve settled down and made almost 30 appearances in Wigan Athletic colours, impressing with his cool temperament and thoughtful play. Has suffered a back injury recently, but he is not expected to be out of the action long.

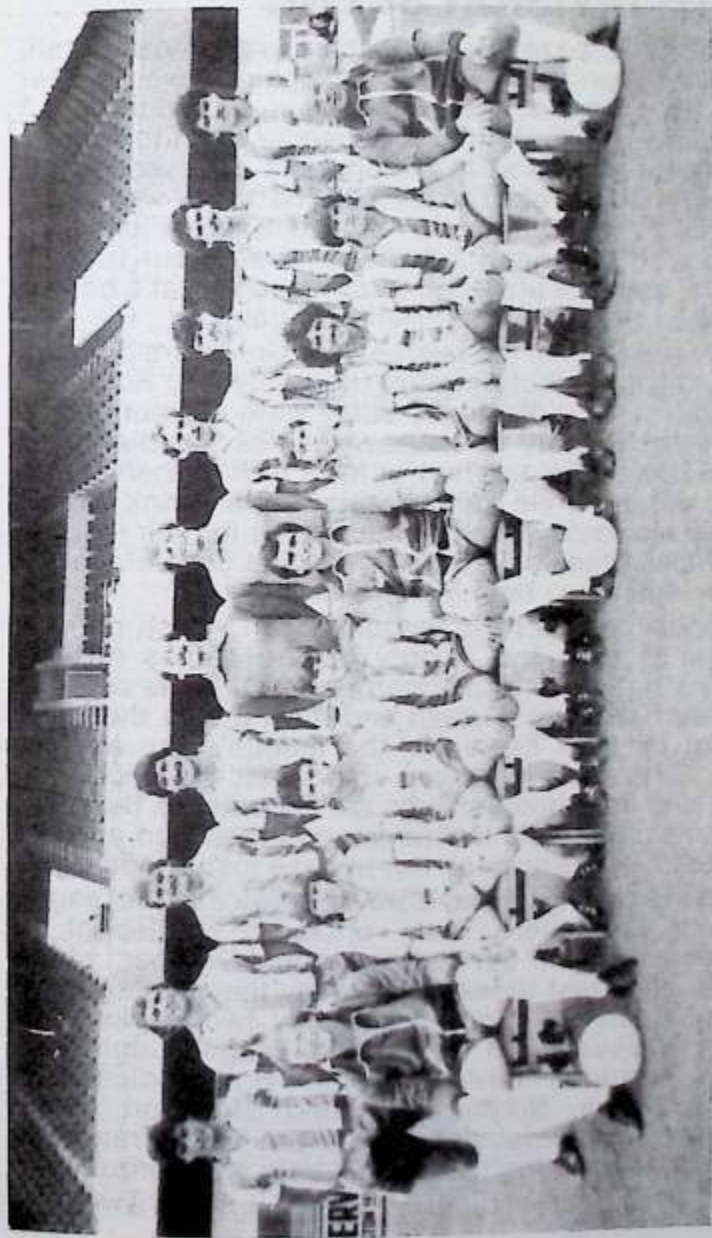

ALEX CRIBLEY, Midfield. Height 5ft. 11ins. Weight 12st. 9lbs. After considerable Central League experience, with Liverpool Football Club, Alex joined Wigan Athletic at the end of October 1980, and then proceeded to play every game through to the end of the season. A determined customer, who is equally at home in the back four as he is in midfield. Very popular with the Wigan fans, who appreciate the fact that he always gives 100 per cent effort.

LES BRADD, Forward. Height 6ft. 1in. Weight 13st. 3lbs. A player of vast experience, with over 500 Football League appearances and more than 150 goals. Les is expected to bring all the knowledge acquired at Rotherham United, Notts. County and Stockport County to the Wigan Athletic attack. Capable also of quality performances at the back of the defence, this seasoned player could prove to be the shrewdest of manager Larry Lloyd's close-season signings. He is expected to bring the best out of the young players around him.

PETER HOUGHTON, Forward. Height 5ft. 11ins. Weight 12st. 7lbs. After showing a great deal of promise in Wigan Athletic's first two seasons in League Football, Peter struggled last year against a series of niggling injuries and inconsistent form. However, towards the end of last year's campaign, he began to hit something near his top form, his goal touch returned, and, supported by Quinn and Bradd, he should be back among the goals again this season. On his day, a really exciting attacker.

CLIVE EVANS, Midfield. Height 5ft. 10ins. Weight 10st. 9lbs. Joined Wigan in the close season from Tranmere Rovers for a sizeable fee, having already completed over 150 Football League appearances and scored over 30 goals for the Merseyside club. He has shown promise in the pre-season games and is likely to be a key figure in Larry Lloyd's re-organised team structure. A precise and cultured player.

GRAHAM BARROW, Midfield. Height 6ft. 2ins. Weight 13st. Another close season signing from Alliance Premier League side, Altrincham. A strong aggressive player, who, once he adjusts to the demands of full-time football, should prove an asset as Wigan Athletic set their stall out to gain promotion.

Front Row: Fred Eyre (Assistant Manager), Kevin Sheldon (Mark Wignall), David Glenn, Larry Lloyd (Manager), Steve McAdam, John McMahon, Jeff Wright, Kenny Banks (Trainer/Coach)
Back Row: Clive Evans, Les Bradd, Neil Davids, Graham Barrow, John Brown, Bob Ward, Colin Methven, Mike Quinn, Peter Houghton, Alex Cribley

FOURTH DIVISION SCENE

We seem to be fated to play our games in the most appalling weather, when last Tuesday we again braved a near monsoon, this time at Halifax, to gain a creditable 3-3 draw with an equaliser from Dave Speedie with literally the last kick of the match as the referee did not even restart the game with a kick off. The previous Saturday we gained our first ever league success at swamp-like Field Mill, Mansfield with that great 3-2 win, and even our friendly with Sunderland was played in torrential rain. Let's hope it is was fine on Sunday for the Hereford game!

In the lower reaches of the league poor Crewe are dumped well and truly at the bottom after their defeat at Rochdale last Tuesday. Only 1,060 hardy souls were at Spotland to the Dale's first victory in fourteen games. Northampton with three home wins on the trot have picked themselves up off the bottom while Halifax teeter on the brink unable to clinch a win having played eight draws in their last ten outings. Indeed they have not won at The Shay since 7th November when they beat Mansfield.

At the opposite end of the league Wigan march on now undefeated in their last twenty league games (that is before last Friday's visit to Scunthorpe). Of these score of games they have won thirteen and have drawn the other seven. Hot on their heels are the league's top scorers Bradford City, who barraged five past Stockport in midweek, and Peterborough who are unbeaten in their last eleven games. Sheffield United are still there too and are the only team in the division not to have lost at home yet. So far this season Wigan have only lost twice in the league away from Springfield Park, once at Hartlepool in September and again 3-5 at Bury in mid-October, which was in fact their last defeat. Amazingly they lost again at Hartlepool in an F.A. Cup replay, only two weeks after thrashing Chelsea 4-2 in the Football League Cup! Their six away victories have been at Hull, Colchester, Mansfield, Crewe, Northampton and Stockport, while draws have been obtained at Bradford City, Tranmere, Bournemouth, York, Rochdale, Port Vale and Torquay.

Frank Tweddie.
